To Whom It May Concern,

On behalf of the Blue Knights International, Ohio Chapter XXX, I am writing in regards to scholarship opportunities that our Chapter is providing for local school districts represented by our members.

This year we are awarding two, \$500 scholarships to students entering college for the fall semester of 2017. The scholarships are unrestricted for families of law enforcement, and restricted to a Criminal Justice field for families outside of law enforcement. Enclosed is a copy of the application with the requirements for eligibility and the process to return to our Chapter. The deadline for receipt of application will be the third week in April, 2017. At that time a committee will review the applications and two winners will be chosen.

The Guidance Counselor's office will be notified of the winning applicant(s). If you have any questions you may contact me at the below listed email address. Thank you for your time.

Sincerely,

Chris Dailey- President
